Extra Hire Items

HIRE CARS - AUSTRALIA

01 April 2006 – 31 March 2008

To make your Britz adventure complete, we have heaps of additional items you can hire.

Baby Seat

\$25 per rental

You can fit a baby seats to all 2WD rental cars, plus the 4WD rental car.

Booster Seat

\$25 per rental

For little ones between the ages of 3 and 8 years, we have booster seats available. You can fit one to all 2WD rental cars, plus the 4WD rental car.

Satellite Phone

\$17 per day

(plus call costs)

Many areas of Australia do not have standard mobile phone coverage. Satellite phones offer coverage in all areas and are an important safety item for remote travel.

Outback Safety Kit

\$95 per rental

This handy kit contains:

- **Emergency Position Indicating Beacon (EPIRB)** – when activated the beacon transmits an emergency distress signal, which can be detected by Australian rescue authorities.
- **Snatch Strap** – used to pull a vehicle from a bogged position (with the aid of another vehicle), in conjunction with the D-Shackles
- **D-Shackles** – secure the snatch strap to a rigid anchor point
- **Outback folding spade**

Note: Above prices are in Australian dollars. Images depicted are a representation only. Items listed above are not available with 2WD car hires, unless specified.
