

TF 3+2 family campervan

Day Time Layout

The TF 3+2 Family Hitop camper

is one of the most popular vehicles. Automatic transmission, creative design and clever use of space means up to four adults and one child can travel and live in total comfort. The driving cabin has seating for three with a radio/cassette. The two rear forward facing seats have lap/diagonal seat belts and child seat restraints can be easily fitted. The extra vertical space in the living area creates an airy, spacious feeling and ease of movement - and a good-sized double bed and roomy loft bed makes for comfortable sleeping. The optional awning package includes a side shade and a rear awning that can accommodate two camp beds or use as an extra room for living space. The ideal camping adventure for Mum Dad and the kids and there is no other Campervan like it in New Zealand. Every drawer and cupboard reveals a surprise - fridge, stove, wardrobe, crockery, cutlery, linen, towels and much more. With the Family 3+2 Campervan you not only get the freedom and comfort to travel where you wish, you can also enjoy the economy and ease of an engine running on unleaded petrol with automatic transmission. Include the Family pack containing a side shade and full rear awning plus table and chairs and you have everything you need to make your New Zealand Family Adventure holiday a reality.

vehicle dimensions

Length: 4.70m
Width: 1.75m
External Height: 2.10m
Internal Height: 1.82m

driving
